Dear David and Amber:

Further to my email earlier this week sending you shut off/disconnection notices for electric and water/sewer service, and requesting payment of the underlying bills and a summary of bills Kookmin has paid directly so we can keep accurate records of what has and what has not been paid, attached are disconnect notices our clients have received regarding gas service for Union Station. I suggest we speak on Monday at noon to discuss how to resolve the bill-paying issues we have been discussing by email, and which were referenced during our hearing yesterday.

Regards, David (PS: I am cc-ing Pat Lambert on this email)
